

NETWORKING EVENTS FOR PURCHASERS IN SHIPPING BUSINESS

Purchasers Table is a roundtable event in Hamburg bringing together purchasers working in shipping companies and yards, and the suppliers in this field. Twice a year the event takes place in a casual atmosphere where a particular topic, usually presented by a supplier, is bringing the participants into a roundtable discussion. This is a great chance to broaden your knowledge, build contacts and improve your business.

The Purchasers Table events are open exclusively to participants with invitations.

If you are interested in attending this event, please contact us:
